Iconic Premium Sweat Jacket

The Iconic Premium Sweat Jacket is the perfect choice when you need a high-quality garment manufactured to higher sustainability standards. This popular style is made with CiCLO® biodegradable technology that helps synthetic fibres naturally biodegrade, preventing them from lasting forever in the environment. CiCLO® is changing the future of garment manufacturing – and Fruit of the Loom is the first imprint brand to create styles with this innovative fabric technology. These advanced biodegradable fibres behave and break down like natural ones – CiCLO® fibres are OEKO-TEX® ECO PASSPORT certified, non-toxic to marine life, and retain full durability and performance during wear. Not only are you choosing great quality and superb value, you're choosing a garment that leads the industry in sustainability. The Iconic Premium Sweat Jacket is designed with sophisticated functionality – from the concealed metal zip to the soft, brushed inner fleece and surface made from 100% combed ringspun cotton for maximum comfort and optimum printability. Always a best-selling style, and now even more sustainable.
