

## 0622820 Iconic Premium Set-In Sweat

Great quality, superb value and leading the industry in sustainability, our new Iconic Premium Set-In Sweat is made with CiCLO® biodegradable technology that helps synthetic fibres naturally biodegrade, preventing them from lasting forever in the environment. CiCLO® is changing the future of garment manufacturing – and Fruit of the Loom is the first imprint brand to create styles with this innovative fabric technology. These advanced biodegradable fibres behave and break down like natural ones – CiCLO® fibres are OEKO-TEX® ECO PASSPORT certified, non-toxic to marine life, and retain full durability and performance during wear. Fruit of the Loom brings fabric innovation to the new classically-styled Iconic Premium Set-In Sweat. Crafted from 70% combed ringspun cotton and 30% polyester made with CiCLO® technology, it offers a soft, pure-cotton face for superior decoration results and a luxurious brushed inner fleece for lasting comfort. Built to look good, feel good, and do good, this is great-value premium quality with purpose.
